

520 Low Back Pressure

MODULAR BELTS

Modular Belt LFA 520 LBP L 510mm

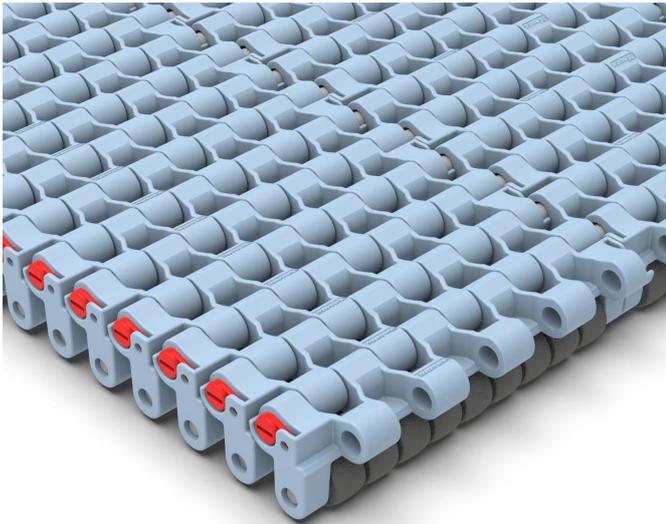

Article-Nr: P5204010510A

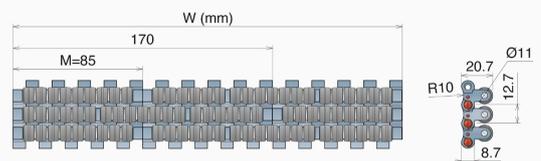

Technical features

Series	520
Pitch	12.7 mm
Thickness	8.7 mm
Increments	85 mm
Surface Type	LBP - Low Back Pressure
Functionality	Straight
Unit of measure	Meter
Width:	510 mm (20,08")
Material:	LFA - Low friction acetal (01)
Version:	A - No positioners
Part:	P5204
Back flex radius:	65 mm
Max working load:	21500 N/m
Mass:	24 kg/m ²
Temperature range dry:	-40÷80 °C
Temperature range wet:	-40÷65 °C
Pin material:	PBT white

Fixation:	Snap-in Clip
Box:	2,5 ft - 0,762 m
Supplementary informations:	Roller material: POM
