

551 Grip Top

MODULAR BELTS

Modular belt with over-molded high-grip rubber, for inclines, declines or acceleration applications, guaranteeing high performances and superior durability.

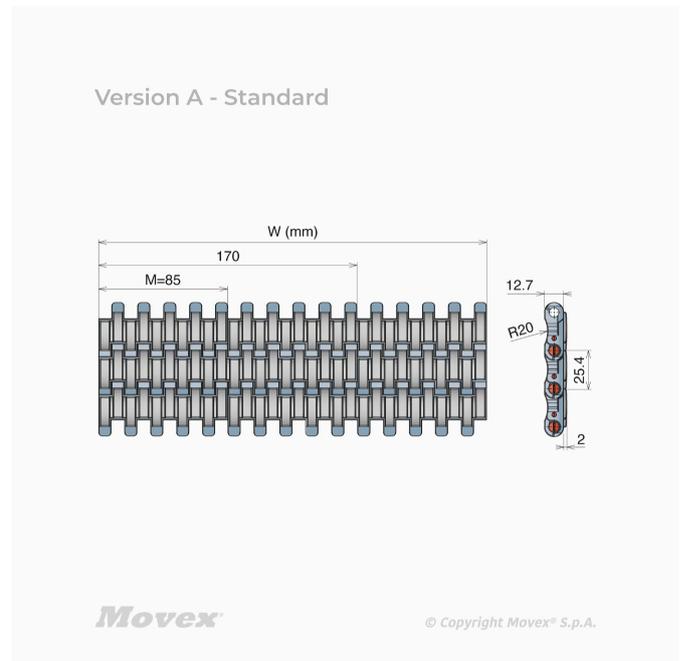

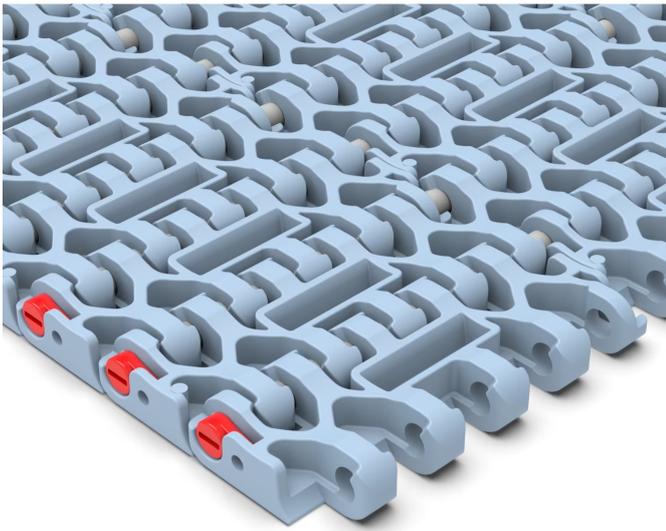

Modular Belt LFA 551 GT W 170mm

Article-Nr: P5233010170A

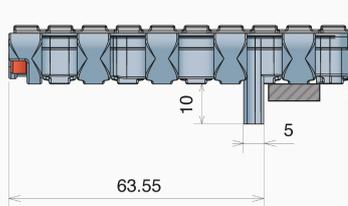

Technical features

Series	551
Pitch	25.4 mm
Thickness	12.7 mm
Increments	85 mm
Surface Type	GT - Grip Top
Functionality	Straight
Unit of measure	Meter
Width:	170 mm (6,69")
Material:	LFA - Low friction acetal (01)
Pin material:	PBT White
Version:	A - No positioners
Part:	P5233
Back flex radius:	50 mm
Max working load:	41500 N/m
Mass:	13.5 kg/m ²
Temperature range dry:	-40÷80 °C

Temperature range wet:	-40÷65 °C
Fixation:	Snap-in Clip
Box:	10 ft - 3,048 m
Supplementary informations:	Top Rubber - 50 ShA- Dark Grey

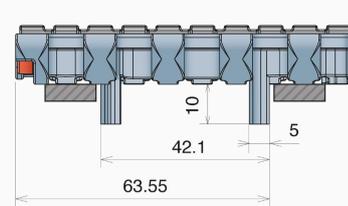

Version B - With 1 Positioner
